Bikeshare signups, unique trips, and miles

Our program has grown steadily since our launch in April 2015. We took a step back in 2017, when 100 of our bikes were recalled. We recovered in the second half of 2018, after the replacement bikes and new bikes arrived.

TOPEKA METRO BIKES

Useful, Healthy, and Fun

The first bikeshare program in Kansas, with 300 bikes and 185 parking locations in Topeka.

TOPEKA METRO BIKES

2018

This was a big year!

In July we launched our new fleet, bringing the total up to 300 bicycles.

We added a station, bringing the total number of official bikeshare stations to 19.

We added 20 bike parking racks to bus stops throughout the city.

28,867 miles pedaled
12,639 Unique Trips

We co-hosted The Great Topeka Bike Fest

The event had about 1,000 attendees, and brought many bikeshare trips and new registrations.
